Highland Broadband
Built for speed

Below are the base tariff rates for Highland Broadband products and services. Please note, these prices represent the base rate for the respective package, and do not take into account any discounts or offers which may be/have been applied at the time of purchase. Please see your contract letter for confirmation of the contracted price you have agreed to, or contact us directly to confirm this.

To see the most up-to-date pricing information including any discounts or offers currently running, please visit the full-fibre plans page on our website.

Residential Tariffs from 09 November 2026
